ORDER:-

In the matter of regularisation of services and recruitment of Executive Officers of religious institutions, the Commissioner, Hindu Religious and Charitable Endowments (Administration) Department has sought for instructions on the following:-

(1) what is the position of Executive Officers appointed after 30-9-1951, the date of coming into force of the Hindu Religious and Charitable Endowments Act, 1951, but before 5-2-1953, the date of coming into force of the new rules regulating the conditions of service etc. of Executive Officers.

(2) Whether the members of Backward Classes appointed as Executive Officers are eligible to the concessions in the matter of age qualifications ordinarily available to them in the matter of appointment to Government service.

(3)(a) Whether 1/3 of the existing vacancies in each grade may be filled up by absorbing persons from the next lower grade in the following manner.

(i) First all persons who are educationally qualified for the higher grade may be taken in the order of seniority provided that their character and conduct are satisfactory.

(ii) Secondly persons who do not possess the required qualification but whose work and conduct have been satisfactory may be considered.

(b) Whether after the claims of the above two kinds of officers are considered and disposed of and if still there are vacancies to be filled by promotion (within the ratio of 1/3 by promotion), such vacancies may also be filled by direct recruitment.

(4) Whether the submission of the panels of names of Executive Officers fit for promotion for the approval of the Government and sending the approved panels to the Deputy Commissioners and Assistant Commissioners may be dispensed with as it is only the Commissioner who is going to fill in 1/3 of the existing vacancies while preparing the seniority list of Executive Officers.

2. The Government have carefully examined the above points and pass the following orders:

Item (1):- The Executive Officers of religious institutions appointed after 30-9-1951 but before 5-2-1953 should be treated as eligible for the

(P.T.O.)

protection afforded by Rule 27(viz., that the rules shall not affect them adversely) of Part I of the rules issued under Section 100(2)(p) and (x)(ii) of the Hindu Religious and Charitable Endowments Act, 1951 and the fixation of their grades, pay etc. should be regulated with reference to the instructions issued in paragraph 1 of G.O.Ms.No. 153, Rural Welfare, dated 31-1-1953.

Item (2):- The members of the Backward Classes who possess an educational qualification which is higher than the minimum general educational qualification prescribed for entry into Government service should be exempted from the age limit in the matter of appointment to the posts of Executive Officers also. The Commissioner, Hindu Religious and Charitable Endowments (Administration) Department is informed that the backward class candidates possessing educational qualification which is higher than the minimum general educational qualification need not be discharged merely because of lack of age qualification. The rules will be amended suitably by the Government in this regard with retrospective effect.

Item (3)(a)(i) & (ii):- For purposes of promotion within the 1/3 quota, all persons who are educationally qualified for the higher grade should be taken first in the order of seniority subject to good character etc. and persons who do not possess the qualification but whose work and conduct have been satisfactory should be considered next.

Item (3)(b):- The Commissioner is requested to fill up the remaining vacancies if any within the one-third quota by recruitment from among the Devasthanam employees or by obtaining the loan of services of the staff of the Hindu Religious and Charitable Endowments (Administration) Department or of any other Departments of the Government.

Item (4):- The Commissioner is informed that submission to Government of the panel containing the names of Executive Officers fit for promotion to higher grades is dispensed with for this year only but copies of the panel should, however, be communicated to the Deputy Commissioners and Assistant Commissioners.
